

Explanation of Behavior Management Plan

Daily Participation - Students must have all necessary materials with them for each rehearsal and concert, and must fully cooperate and participate in these events. Students who come late to class, come to class without required materials, or who do not participate responsibly in class, will complete a daily rehearsal techniques form (“sign-in sheet”). Each time a student turns in a rehearsal techniques form, he/she will lose credit under the rehearsal techniques section of his/her quarter grade.
